

RhyNewService REGISTRATION FORM

RhyNewService is a multiplatform clearinghouse for social change news, links and opinion. We offer 4 membership categories:

1-2. PROFESSIONAL & STUDENT NEWS OUTLETS join for free; you need only e-mail us this registration form, or the information asked for herein, and we will send you the upload, download and Twitter protocols. Then you may upload as many stories and tweet as many headlines as you like. Running a downloaded story costs pros \$10 and students \$5. (Please include a tearsheet or URL with your check.) Your payment entitles you to run the piece through one complete publication cycle. If any of your stories are picked up by another RNS subscriber, we will split the proceeds with you. Press releases are free to download.

3. SOCIAL CHANGE GROUPS' annual memberships are based on ability to pay; we suggest between \$10-\$100. This entitles you to upload as many news pieces and press releases as you like. Your cost to download a piece is based on your ability to pay -- we suggest between \$5-\$50 -- and entitles you to run the piece in your promotional materials only.

4. INDIVIDUAL ACTIVISTS can join for \$25 a year. This entitles you to upload as many pieces as you like. Uploaded stories must be your original work. You may also download as many stories as you like, but may not redistribute them in any way. If any of your stories are picked up by an RNS subscriber, we'll split the proceeds with you.

RNS does not guarantee the veracity of any stories posted. We reserve the right to withdraw any content from the wire without notice or explanation.
